1/ Includes sales in each area by handlers regulated by that order. Sales routes of some handlers may extend outside defined marketing areas; therefore, some in-area sales may be partially estimated.

2/ Effective June 1, 2010, the producer-handler provisions of all orders were amended to eliminate the exemption from the pooling and pricing provisions of the orders for producer-handlers with route disposition in excess of 3 million pounds per month.

3/ Effective April 1, 2006, the producer-handler definition provisions of these orders were amended to eliminate the exemption from the pooling and pricing provisions of the orders for producer-handlers with in-area route disposition in excess of 3 million pounds per month.

4/ The in-area sales data for this order does not include all the sales in the marketing area from January 2000 through April 2006 due to the exemption of fluid milk processors located in Clark County, Nevada. Effective May 1, 2006, the marketing area for this order was contracted with the removal of Clark County, Nevada, and the name of the order was changed from Arizona-Las Vegas to Arizona.

5/ Effective April 1, 2004, the order regulating this marketing area was terminated. Data for 2004 are for January through March.
